

COTTIER ESTATE

2018 Sauvignon Blanc

Our Vineyards

On the banks of the Ruamahanga River our soils of light alluvial river deposits over a shingly gravel substrate provide an ideal growing environment.

The Wairarapa region enjoys long hot summer days with cool nights and gentle autumns to allow the grapes to reach full ripeness.

Vintage Overview

The vintage enjoyed a particularly hot dry late summer providing an excellent growing season.

The grapes were harvested in early April, thinning ensured a low yield of the best quality fruit.

The fruit was harvested and processed immediately, pressed to tank and fermented slowly in cool conditions. Pale straw in colour with a tropical bouquet.

Tasting Notes

The finish is lengthy with the fruit and oak lingering. Lovely ripe passionfruit, gooseberry and tropical fruit aromas.

Stylish Sauvignon that captures the very essence of the style. It neatly balances fruit sweetness against crisp acidity.
