

OKAHU
WINE OF NEW ZEALAND

Okahu Syrah 2010

Estate grown fruit. The layers of complexity in this wine reflect the layers of soil, a mix of sandstone, ancient Kauri forest and clay.

Hand harvested from the excellent 2010 vintage, this wine showed promise from the moment it was picked and it continues to develop well as it matures in the bottle.

Aroma

Ripe, floral and spicy berry fruit nose, supported by warm peppery notes, entices you to try.

Palate

A rich burst of intense berry fruit flavours is supported by spicy, peppery tannins. It is well structured and hints of things to come as this wine matures and evolves. A memory of dark spicy chocolate remains on the palate. Definitely a wine to cellar and enjoy over many years to come.

Food Match

Fillet steak, medium rare with a pepper sauce, or spicy BBQ chicken. This wine will match rich and fragrant foods, especially with tomato and spicy chilli sauces.

Alcohol Volume

12.5%
