### **WINEMAKING NOTES**

The fruit for this wine was grown on the upper terrace at Askerne Vineyard and is predominantly Clone 14 Semillon.

It was hand harvested and sorted on 30/04/2010 at an average 22 brix.

The wine was fermented and aged on its lees in French oak barriques (33 % new, 33 % 1 year and 34 % older oak) for 9 months.

pH 3.24  
TA 6.9 g/l  
Alcohol 12.5%

### **TASTING NOTES**

Lemon, lime and orange blossom aromas on the nose combine with lingering lemon and granny smith apple characters on the palate. This is a crisp, zingy wine that will develop honeyed characters as it ages.

An excellent accompaniment for fish and shellfish
