Vineyard Notes 2014 was a low yielding vintage with yields down by as much as 30% which produced intense Shiraz fruit with rich textures and flavours. Selected from 3 of our premium vineyards with vines average age of 25-45yrs.

Wine Maker Notes Whilst coming from 3 vineyards, these produced about 8 separate parcels of fruit. This provides us with some strong blending options. The wine spent 15 months in a combination of new and used French oak barrels, of which 20% were new.

Alcohol 14.5%
