

2017 Johanneshof Cellars Marlborough Sauvignon Blanc

This refreshing zesty Sauvignon Blanc with its citrusy aromas of pink grapefruit intrigues with its flavours of tropical fruits and its full body culminating in a crisp dry finish.

Johanneshof Cellars was established in 1991 and is jointly owned and operated by Edel Everling, a fifth generation winemaker from Ruedesheim, Rheingau, Germany and Warwick Foley from Marlborough. Both winemakers trained in the world-famous wine area of Rheingau in Germany.

All grapes are hand-harvested from sustainable vineyards and fermented in small tanks or barrels with minimal interference to ensure the highest quality.

The winery has a formidable reputation for its Aromatic varieties namely Gewurztraminer, Riesling and Pinot Gris. Edel and Warwick also produce Sauvignon Blanc, Pinot Noir, Noble Late Harvest Riesling. The quality of wines produced has reflected in the many awards Johanneshof has received including Trophy for 'Best International Aromatic White wine' – Decanter World Wine Awards 2005.
