Aroma lifted aromas of plums vanilla and blackberry.

Palate Fresh dark black fruits are prominent on the front and a velvety texture flows seamlessly through the mouth. The soft tannin and the juicy finish allow this wine to linger with well balanced integration of the primary fruits and oak.

Vinification Grown on our own vineyard in the middle of the Bridge Pa Triangle where the growing conditions and soil allow Malbec to ripen slowly and fully to ensure velvety texture and the dark colour.

Oak Aged in New French oak for 10 months the juice was allowed to mature naturally prior to bottling.
