

IRVINE

Springhill 2020 Shiraz

COLOUR

Ruby Red with a purple hue

NOSE

Blackberry compote, dark chocolate and menthol upfront. As the wine opens up, the menthol and earthy notes move aside to reveal a playful, black cherry and mocha bouquet

PALATE

Dark cherry, vanilla and coco intertwine seamlessly on the palate. While full in body, a juicy acid line ensures the wine is not heavy in the mouth and makes you want to come back for more. A fine, “chewy” tannin structure highlights the length and persistence this wine has to offer

STYLE

A fresh, fruit driven red wine that can be enjoyed now or easily aged for a couple of years
