WINEMAKING

HARVEST: Sourced from several vineyards from 3x sub regions of McLaren Vale (Seaview, Blewitt Springs and Clarendon), resulting in complexity in blending. Each parcel was harvested and fermented separately.

FERMENTATION: Crushed and fermented on skins for 7-10 days.

AGEING: Once fermented to dryness, fruit was pressed off skins and transferred to a combination of new, 2nd and 3rd use French oak barrels. We want to see the perfume, the vibrancy and the bright fruit characters come to the fore.

VINTAGE 2021: Has the hallmarks of a classic vintage.

A mild year with perfect ripening conditions throughout which allowed us to harvest fruit at perfect ripeness and balance. The resulting wines have shown excellent varietal flavour with a degree of finesse.
