Wine making notes:

The fruit (100% clone 5) was hand harvested on 24th March 2018. The fruit was destemmed into stainless steel tanks before being inoculated with selected wine yeasts to carry out the fermentation. The wine was aged in French Oak barriques for approximately 10 months, of which 29% was new oak.

Tasting Notes:

Medium dark purple with purple hues.

Pretty and perfumed with violets, cherries, plums, spice and oak char.

Silky and plush with ripe cherry, blackberry, dark plums and hints of leather, tobacco and lovely spice.

Complex, concentrated and finely textured with a long red berry finish.
