

# NGĀ PARI

## 2020 Pinot Noir

### Our Vineyard

On the banks of the Ruamahanga River our soils of light alluvial river deposits over a shingly gravel substrate provide an ideal growing environment.

The Wairarapa region enjoys long hot summer days with cool nights and gentle autumns to allow the grapes to reach full ripeness.

### Vintage Overview

Warm and windy till Christmas. Dry and warm throughout ripening period. The grapes were harvested in early April, thinning ensured a low yield of the best quality fruit.

The grapes were processed by traditional means with 20% matured in the finest French oak Barrels for 12 months.

### Tasting Notes

Clean, bright, and primary on the nose with blackberry compote aromas supported by cocoa nut, cedar, brown spice, and dark chocolate characters. Sweet, opulent cherry/black forest gateau flavours are evident on the palate with firm acid, chewy tannins to provide structure.
