

# PADDONS PADDOCK

FAMILY WINEMAKERS

## Chardonnay Daddy longlegs

---

### Wine Analysis

Vineyard - Paddons Paddock Family Winemakers

Date of harvest - 2021

pH of wine - 3.19

T.A of wine - 7.0g/l

Alc.vol - 13.5%

### The Vineyard

Hey there! We're Chris and Jackie Paddon. Together with our family, we started Paddons Paddock vineyard in 2013, where we planted our Pinot Noir vines on our beautiful Wanaka vineyard. This region is well-known for Pinots, and we wanted to make the best Central Otago Pinot Noir we possibly could. A year later we planted our Pinot Gris, Sauvignon Gris and Chardonnay. Our vineyard is located 5 mins from Wanaka CBD.

### Winemakers Notes

Whole bunch pressed. Lightly settled then went into old French barrique casks. Fermentation with indigenous yeast for 4 months, 100% malolactic fermentation occurred. Then the wine was lightly filtered for brightness and clarity.

### Tasting Notes

Our Chardonnay consists of nectarine and bright lifted aromatics followed by a lithe elegant wine showing great finish and drive.
