

NGĀ PARI

2022 Rose

Our Vineyard

On the banks of the Ruamahanga River our soils of light alluvial river deposits over a shingly gravel substrate provide an ideal growing environment.

The Wairarapa region enjoys long hot summer days with cool nights and gentle autumns to allow the grapes to reach full ripeness.

Vintage Overview

A warm spring, with minimal frost but a few rain events post Christmas. A warm start to summer transitioned into a moderate season. The grapes were harvested in early April. Pressed with skins on for a couple of hours to add a blush of colour and fermented in stainless steel tanks.

Tasting Notes

This crisp and bright Gladstone Rose is refreshing in style showing bright floral aromas and wild strawberry. This dry style Rose has an abundance of summer berries and red cherry aromas with a finely textured palate that is elegant and refreshing. Best served slightly chilled and can be enjoyed with food or on its own all year round.
