## Nelson Sauvignon Blanc 2022

Sauvignon Blanc is ideally suited to the Nelson region where a combination of warm, sunny days and cool autumn nights, help to create the intense varietal flavours for which this flagship New Zealand wine is recognized.

**Nose:** Green rockmelon, apricot, lemon peel and sweet basil.

**Palate:** Rich fleshy palate with ripe passionfruit, guava, lemon and green apple with complex herb flavor and a crisp fresh finish. A vibrant, full flavored wine that is concentrated and long.

**Vintage:** A very good year for Sauvignon Blanc with nice rich flavorsome crop. A sunny beginning of the summer resulted in excellent flavour development and almost like a second spring February provided very fresh and fruity notes. All fruit was crushed and destemmed before being cool fermented to preserve the vibrant, fresh Sauvignon characters.
